 - Artist(s) submit artwork to their school - High School Main Office, Middle School Resource Center, East Woods Intermediate Art Teacher.
 - Artwork shall be submitted in **full color** on 8 ½ x 11 unlined white paper **in a portrait format**. **Important:** Include Name(s), grade(s), email(s), and phone # of artists on back. Please write very neatly as we need to be able to read it. Please highlight the name of the registered student for window placement purposes.
 - **Artwork must be family friendly Halloween/Autumn designs.** Inappropriate artwork will not be accepted. You do not need to be a talented artist to participate, as we love to have a variety of art on display but please do your best work. **Digital photos & very messy/rushed artwork will be returned.** The business owners are very kind to allow us to use their windows and we want them to look amazing. Students can begin their artwork prior to registration.

BOTH steps must be completed by Sept. 25, 2023, for a window assignment.

Please note: This event falls on a long weekend. Event date is determined by Merchants Trick-or-Treat on 10/26. Painting will take place on Saturday and Sunday no exceptions. Due to the high demand, limited windows, and the window assignment process, placing siblings together is not an option this year. Payment is online only.

Window Assignments & detailed Painting Instructions will be communicated via email on **10/19/2023**. To view the Painting Instructions in advance please visit www.hudsonpto.org **One** parent/chaperone must be present during the entire event.

There are 300 windows available. Once this limit is reached, registration will close. Additional requests will be placed on a wait list and **if possible**, accommodated in order in which they were received.
