

OPENING DOORS WIDER WITH **INCLUSIVE PERFORMANCES**

Individuals with autism and other developmental disabilities often have trouble attending public performances. ASGA is proud to partner with Tuesday Musical and E.J. Thomas Hall to offer inclusive performances. These events aim to remove stereotypes and biases, replacing them with understanding and support, so all may enjoy the gifts of our community. The organizations received training in adapting and supporting individuals with autism and their families at the theater, opening their doors wider.
