

Take a Peek at Our Week!

MRS. ADAMS' FIRST GRADE

WEEK OF SEPTEMBER 24, 2021

ASK YOUR CHILD ABOUT:

- Pajama Day!
- Our project to go with the book *Little Tree*
- How to take a "sneak peek" at pictures to help us read tricky words
- What makes us "Super Citizens" of Ellsworth Hill
- Ways to bring our small moment stories to life
- Scooping up words when we read

A NOTE FROM MRS. ADAMS:

Next week we will begin Unit 2 in math. See the new unit newsletter linked on the right! This week in math, we continued to focus on using the number rack to show different combinations of 10 and 20.

In reading this week, we focused on "scooping up words" while we read rather than reading word by word. Scooping words helps us to read in bigger phrases and helps our reading become more fluent and expressive! We have amazing readers in C9!

Have a wonderful week!

HOMEWORK:

Math

Pages 17-18 One More Dot, One Less Dot
Pages 19-20 Domino Magic Squares

ANNOUNCEMENTS:

-PTO is hosting a fun Kindergarten-4th Grade pumpkin patch this year! [Click here](#) for more information.

-If your child gets breakfast at school in the morning, please remind them to stop in the cafeteria right when they get off the bus in the morning! It's a long walk from the classroom back to the cafeteria, so this will help ensure that they have plenty of time to eat!

IMPORTANT DATES:

- 10/6: Picture Day: [Click Here](#) for more information
- 10/8: No school
- 10/8: Scholastic Book Orders due

NEXT WEEK:

Reading: Unit 1: Building Good Reading Habits [Click Here for the Unit Newsletter](#)

Phonics: Unit 1: Talking and Thinking about Letters [Click Here for the Unit Newsletter](#)

Math: Unit 2: Developing Strategies with Dice and Dominoes [Click Here for the Unit Newsletter](#)

Writing: Unit 1: Small Moment Stories [Click Here for the Unit Newsletter](#)

Science/Social Studies: Rules/Being Good Citizens; Apple Investigation
