What We're Learning...

Phonics: We will learn that vowels are special letters and continue to learn names!

Letters spotlight: A, R, L, D, F

Snap Words: like, my, and continue color words

Reader's Workshop: Readers will learn to read books cover to cover and reread by putting all the pages together!

Writer's Workshop: Writers will continue to become independent writers and learn to stretch out sounds in words! They will learn to turn pieces into books and plan teaching books page by page.

Math: Mathematicians will learn about terrific tens! They will have opportunities to practice counting, ordering, comparing numbers, and think about the different ways numbers can be put together and taken apart (composed and decomposed).

Science: Daily/Seasonal Changes, Sounds

Social Studies: Rules and Citizens, Habit #1: Be Proactive

Star of the Week

Emily P.

Apple Day!

Hi Room 120 Families,

We will be having a fun-filled apple day on the following day in honor of Johnny Appleseed's birthday!

Friday, September 24th

We will be taste testing different types of apples, graphing our favorites, making applesauce, doing a fun STEM activity, etc. In order for us to enjoy some yummy homemade applesauce, we would greatly appreciate it if you could **bring in one red apple peeled and pre-sliced on Friday, September 24th.**

If your child has any allergies, or you would not like them to eat the apples, please let me know!

If possible, please also consider signing-up for additional items needed: [Apple Day Sign-Up](#)

Thanks so much for all of your help and support to make this a fun and memorable day!!

-Room 120 Teachers
