

Hudson City Schools

Zoom Expectations for Students

Be on Time

Wake up early.
Check Google Classroom for
the link and password.
Join the class on time.

Be in a Quiet Place

Find a quiet place.
Be aware of your location.
Remove any undesired
background objects that could
show in your video.

Be Prepared

Device is charged.
Camera is on.
Use headphones if you have
them.

Communication

Raise your hand to speak.
Speak clearly.
Look up when speaking.
Stay on topic.

Presentation

Wear school appropriate
clothing.
Sit up straight.
Be in camera view.

Use Mute & Full Name

Mute yourself when your
teacher or another student is
talking.
Use your full name during a
meeting.

Participation

Be focused.
Be attentive.
Be an active participant.

Be Respectful

Be kind and considerate.
Follow school rules and
guidelines.

Need Help? Try These Zoom Troubleshooting Tips

1. Sit near your router.

Move your device closer to your router.

If it's in a cabinet, pull the router out.

2. Restart your device

Restarting your device could help resolve issues with sound or video.

3. Clear Chrome Cache

How to [clear your Chrome browser cookies and cache](#).

4. Turn Off Streaming

If you experience difficulties with your connection, audio, or video, turn off streaming services like Netflix or Hulu.

5. WiFi Issues

Check out these [Home WiFi Troubleshooting Tips](#).

6. Chromebook Audio

If you are using a  Chromebook and experience audio issues, please view these [Chromebook Audio Troubleshooting Tips](#).

7. Try Other Devices

If you are stuck and have another device to use, try using that device for your Zoom session.

8. Report Issues

If issues continue to persist, please report them using the forms below.
