

### KINDERGARTEN NAME TAGS

Dear Parents,

This is the name tag that your child needs to wear around his/her neck for the first two weeks of school. Please use this name tag and do not make one of your own. The colors help us quickly identify students and get them to the proper classrooms and on the correct buses.

A couple of suggestions to make the tag more durable:

1. Laminate the tag or
2. Attach the tag to a piece of cardboard or similar material.
3. Punch 2 holes on top and thread yarn/string through to form a necklace.

If your child will have several different locations in which they will be going to after school, fill out a separate tag for those locations and mark what day of the week they will be going to that location.

This name tag must be visible on your child for the first two weeks of school.

Thank You, Your V.I.P. Representatives
