Time Adjourned__________
February 18, 2019

Dear HCSD Board of Education President Zuro and Board Members,

The League of Women Voters Hudson is celebrating Sunshine Week, March 10-16, 2019. Sunshine Week occurs each year in mid-March, coinciding with James Madison’s birthday and National Freedom of Information Day. It is a national initiative spearheaded by the American Society of News Editors to educate the public about the importance of open government and the dangers of excessive and unnecessary secrecy. It was established in March 2005, with funding from the John S. and James L Knight Foundation. During Sunshine Week, media organizations, civic groups, libraries, nonprofits, schools and other participants engage in public discussion on the importance of open government. The purpose of the week is to highlight the fact that "government functions best when it operates in the open”. Each organization chooses the ways they want to participate. The Sunshine Week website, http://sunshineweek.org/, offers organizations a list of suggested activities and events in order to participate.

Since 1967, the Freedom of Information Act (FOIA) has provided the right to request access to records from any federal agency. All states have since created some version of Sunshine Laws. In Ohio, Sunshine Laws come under the purview of the Attorney General; the AG website contains the Manual of Laws and training for public officials which is free and open to the public. Ohio’s Sunshine Laws cover both the Open Meetings Act and Public Records Act. Each public body creates their own policies that make them compliant with the Ohio Revised Code for Sunshine Laws.

LWV has long been a champion of government transparency since our founding in 1920. It is one of our core principles and a vital part of our mission. Our efforts in this area reinforce our reputation of fairness, nonpartisanship and trust. It serves as the foundation for League action in lobbying and advocacy.

League of Women Voters Hudson has designed a local Observer Corps program based on LWV resources and Ohio’s Sunshine Laws. Our members are encouraged to take Sunshine Laws training from the Attorney General’s office, the same training required for public officials. Our LWV trains and mentors our members in how to observe City, Library and School District public meetings. Regular observation and reporting provide our League with knowledge of local issues and the ability to take timely action; it builds our expertise in interfacing with local government and serves the community by monitoring Sunshine Laws compliance.

Our observations have shown that Hudson is fortunate to have local government that goes above and beyond basic Sunshine requirements. Hudson’s public officials have adopted many best practices that enhance transparency, accountability and citizen engagement.

We invite and encourage the HCSD Board of Education, Administration and Teaching Staff to participate in Sunshine Week in whatever way you choose.

Thank you.

Best Regards,

RE: Purple Star Designation  

The High School is seeking the Ohio Department of Education’s Purple Star Designation Award. The Purple Star Award for military-friendly schools recognizes schools that show a major commitment to students and families connected to our nation’s military. Schools that earn the award will receive a special Purple Star recognition to display onsite.

A school will be honored with the Purple Star Award if it completes all the required activities, plus one optional activity, listed below. The Purple Star Advisory Board, formed by the Ohio Department of Education, Higher Education, Veterans Services and the Adjutant General, helps decide a school’s eligibility for the award.

The required activities include:

Appointing a staff point of contact for military students and families who serves as the primary liaison between them and the school.

Sheryl has been serving in this role for the USO partnerships. Brian Wilch, Leo Doty, and Karen Weber also serve as point people. Also the schools maintain a dedicated page on the website featuring resources for military families.

Schools applying for this award must complete at least one optional activity. Hudson will have two with the Board resolution that is being proposed for Monday night. The local School Board passes a resolution publicizing the school’s support for military children and their families. Hudson also hosts military recognition event that demonstrates a military-friendly culture. We do this on Veterans’ Day and at least one athletic event. Sheryl Sheatzley has been a great help and support to all of our endeavors with supporting and honoring the women and men who serve.

Senior Yuhan Kim and his History Club teamed up with our designated point person, Leo Doty in addition to Karen Weber (HMS) and Brian Wilch who are also part of the District team.

We wanted this application process, and hopefully the award, to serve as an affirmation of the many supports already in place: USO luncheon, military recognition at football games, military history showcase, fundraisers for veterans, etc.
The students in HHS History Club should also be commended for their efforts. They have been the main driver behind these efforts. The application is due April 5th to the Ohio Department of Education and winners will be announced May 4, 2019.

Please do not hesitate to contact me if you have questions.
