

All-Day Kindergarten FAQ

1. How do I register for all-day kindergarten? It's as easy as 1-2-3!

Step 1: Pre-Registration for Kindergarten begins February 14, 2020. You may access and complete pre-registration forms on the District and Evamere Elementary websites at www.hudson.k12.oh.us/kindergartenreg. Note: A child must be 5 years old by September 30, 2020 to qualify for Kindergarten.

Step 2: On-Site Registration days are March 3 and March 4, 2020 at Evamere Elementary between the hours of 9:30-11:30 a.m.; 1:00-3:00 p.m.; and 5:00-7:00 p.m. Come to Evamere during any of the times listed with your child's birth certificate and proof of residency. Tours will be available during on-site registration. Transportation and other school personnel will be available to answer any of your questions.

Step 3: Bring your child to Kindergarten Screening which takes place on May 4, 5, or 6 2020. Please sign up for a time online through a link you will receive by email after Registration Days on March 3 and 4 are complete. The email will be coming from an @hudson.k12.oh.us address.

2. What is the cost of all-day kindergarten?

The tuition for all-day kindergarten is \$3,600.00. There is a \$200.00 non-refundable deposit and then two payments of \$1,700.00 which are due prior to each semester. There is also an option to make 2 payments per semester (see item 6 below).

3. Do I have to make a deposit?

Yes. A \$200.00 non-refundable deposit is due when you come to registration on March 3 or March 4. The March deposit, along with the completed registration information, **guarantees** a place in all-day kindergarten class. This is the only way to guarantee a place in all-day kindergarten. The \$200.00 deposit is deducted from the tuition fee. The \$200.00 fee is non-refundable.

4. Am I guaranteed a spot in all-day kindergarten?

Yes, if you have made the \$200.00 deposit and completed Step 1 and Step 2 of the registration process by March 3 or March 4.

5. What if I change my mind during the summer?

If you have registered for all-day kindergarten and want to change your decision, please contact the school office at 330-653-1226 or the Assistant Superintendent's office at 330-653-1217. The \$200.00 deposit is non-refundable. Your child will be placed in a half-day kindergarten classroom.

6. When is tuition due?

First semester tuition is due August 7, 2020 via check made out to **Hudson City Schools**. Second semester tuition is due December 4, 2020. *First Semester* tuition payments will be mailed to Evamere Elementary, 76 North Hayden Parkway, Hudson, Ohio 44236 ATTN: Kindergarten. Tuition payments for **second semester only** may be made using our online

We are pleased to be able to offer several payment plans:

- Full year payment of \$3,400.00 due August 7, 2020 (checks made out to Hudson City Schools)

7. What happens if I do not make the tuition payments?

If tuition payment is not made on time, your child will be placed in a half-day kindergarten classroom for the remainder of the school year. Tuition payments are due prior to the first and second semester. This will allow the change of classes to be made at a natural learning time.

8. If my child goes to half-day kindergarten, will she/he be behind when starting first grade?

We believe that extended learning time in a consistent environment is beneficial and want to provide that opportunity at Evamere for our families. Both all-day and half-day classes will cover the curriculum and the requirements of kindergarten. The all-day kindergarten class provides more time for development of these skills. The teachers at Evamere have extensive knowledge of how children learn. No matter the kindergarten experience, our teachers will be able to meet the needs of your child.

9. What if I do not register my child until August?

If you are a current Hudson City School District resident, we strongly encourage you to register your child at the designated registration times on March 3 or 4. The earlier a family registers their child, there is a guarantee of a spot. We will continue to accept all-day registration and deposits; enrollment is monitored constantly and how many sections of all-day kindergarten is linked directly to numbers and interest. The \$200.00 deposit is due immediately at the time of registration. The first semester tuition payment is due in full August 7, 2020, soon after you register your student.

10. My child is in all day kindergarten, and as the year progresses we realize it is not a good match. Will I have a refund?

Tuition will be prorated by quarter. So, if you decide at the end of September that all-day kindergarten is not a match, you will be refunded the second nine week grading period. The student will be placed in an a.m. or p.m. class based on District guidelines.

11. My child begins the year in half-day kindergarten and we would like them to move to all-day programming. What is the process for making this change?

Our kindergarten classes have been "full" or very close to our capacity. There may not be an open spot if you are interested in moving your child after the school year begins. However, if there is space in the all-day classes, the move would need to be made by the end of the first grading period.

12. My family qualifies for free/reduced lunch. How do I proceed registering my child for all-day kindergarten?

Please contact Kim Ciborek, Business Office at 330-653-1208 to make sure the free/reduced lunch paperwork is up to date. You may also contact Doreen Osmun, Assistant Superintendent, at 330-653-1217 for assistance.

13. How will my child be placed in first grade if they do not attend all-day kindergarten?

The principal is responsible for placing students in heterogeneous classrooms. Student reading and math data are analyzed, as well as learning styles and personalities, to create the best placement for our children. No matter their kindergarten experiences, students will be placed in all first grade classes.

14. I would like to request a certain teacher. What is the procedure?

Parent requests for a certain teacher are not part of the placement process. Your child will be placed in a classroom according to kindergarten screening and registration information.

15. My child is on an Individualized Education Plan (special education services). How do I proceed in registering them for all-day kindergarten?

You will follow the registration process. The IEP team will determine what special educational services are needed for your child. Families have a choice of all-day or half-day programming for their child. If families choose to attend full-day kindergarten, tuition rates and registration guidelines apply.

16. Will my child be transported to and from all-day kindergarten?

Yes. They will be routed with their neighborhood and preschool students.

17. Will start and stop time be the same?

All-Day Kindergarten will follow the following time schedule: 9:00-3:45.

Kindergarten AM: 9:00-11:45

Kindergarten PM: 1:00-3:45

18. How many students will be in a kindergarten class?
