

# PQR<sub>2</sub>ST+

**Preview**- Title, introduction, subtitles, pictures, charts, maps, graphs, bold print & italics, summary, end questions

**Question**- Write a subtitle-related question on the left side of your Cornell Notes

**Read**- Read silently from the subsection, thinking about how you will summarize the passage in your own words

**Remember**- **Summarize** into Cornell Notes in your own words *with book closed* \*Summarize into the 3 MAIN ideas of the section

**Scan**- Rapidly go over the same subsection of text, looking for missed details or errors in your first summarization

**Touch Up**- Add any *important* details to your notes

**+**- Go back and study your notes to prepare for upcoming assessments
